### **Parent/Caregiver Group**

\$50 per group session (cost per family)

Our groups are divided into series that focus on specific topics. In order to obtain the most benefit from our groups, we ask participants to commit to all of the sessions in a series (e.g., weekly participation in a 5 group series).

### **Behavioral Consultation**

\$200 per 60 minute session

\$125 per 30 minute session

### **Parent-Child Interaction Therapy (PCIT)**

\$200 per 60 minute session

*As required by federal law (The No Surprise Act), a Good Faith Estimate (GFE) will be provided prior to rendering services.*

*A superbill will be provided to families upon request. Families with out of network (OON) insurance benefits can submit a superbill to their insurance providers to determine if they are eligible for reimbursement.*
